Directions

Claims are a little less than 6 miles downstream from Downieville with the NE corner just upstream from the helicopter pad. There is a yellow tag on the back of the 28th guard rail post upstream from the pad marking this spot. The NW corner is the #3 corner of Pirate which is located at the 8th guard rail post downstream from mile marker 10.04. If you park at the pad stay to the downstream side near where a trail goes to the river to avoid causing any problems should they need to land a helicopter.

Note: There is a footbridge across the river at Rocky Rest campground. There is a trail South side of the Yuba coming back to this claim which also passes all the other Club claims in this area.
