PRESIDENTS LETTER:

Dear Club Members,

I hope you all are doing your very best to stay safe and healthy in these difficult times. I also hope you had a wonderful Easter holiday.

With stay-at-home orders still in effect for both Nevada and California the Club is obligated to postpone our April meeting.

I am cautiously optimistic we will be able to meet in May, but as we all know, both the local and global situation remains unclear. We'll provide an update as soon as we are able to decide.

Wade Lavery has been doing an incredible job re-building the membership process, particularly under these unique circumstances.

Memberships are being processed, but may still be delayed. If you have recently renewed or have signed up as a new member, please be patient.

Please keep in mind that it will be much easier for us to conduct Club business once the lockdown is released.

Finally, with the change in the weather I know that many of you are anxious to get out and move some dirt. I certainly am.

While it would seem to me that prospecting would be a great way to engage in some 'social distancing', I'm not sure that local law enforcement agencies in either California or Nevada would agree.

I would advise doing your due diligence before heading out. The Club will most likely be unable to assist you should you encounter legal problems.

Also, please consider that Emergency Medical Services may not be available to assist you should something happen while in the field.

While I cannot (and will not!) tell our members how to conduct their lives, I would like to ask that everyone assess the risks involved before heading to the claims.

I hope to resume our normal operations as soon as possible, in the meantime stay safe!

Justin Shaw

Due to the Lockdown there were no “new minutes”, for The Gold Pan.

Please check the Website for further information, to see if there will be a meeting in May 2020!

We are Under Construction and New Members will be added to our next newsletter, Please bear with us as we get all the bugs worked out.

Thank You for your understanding in these trying times.

Please remember to contribute. It does not really matter what it is. Clean out your garage. If you don't have a use for it, someone else does. Don't throw it away; put it on the table. One man's garbage is another's man's gold! Thank You!!
