PRESIDENTS LETTER:

Greetings Members,

I hope you all are doing well and getting out to the claims and getting some work done!

Like all of you, I have been carefully following local and national news as to the ongoing COVID-19 pandemic. While public health officials have been loosening regulations, I don't believe we will be able to meet this month. I am hopeful that the situation will continue to improve and by the second half of July we will be able to resume our normal meeting schedule.

In the meantime, the Club's Board of Directors should be able to meet on our regular Tuesday. We'll be able to get out Membership, Treasurer, and Claims reports; plus handle some of our regular business. Within a few days of the Board Meeting we'll post these reports to the website for your review. If you have something to bring to the Board, please join us at the meeting hall at 7:00 PM on June 23rd.

We ask that you please stay home if you don't have something to address with the Board.

Also, considering emailing or calling a Board member with your concerns before our meeting.

This will enable us to catch up on Club matters without running afoul of City/County/State Health Regulations or putting our membership at risk.

The dredge that was donated to the Club last year has been moved into storage. We'd like to get it sold so that we don't incur any further storage

charges, so it will be auctioned off at our July meeting. If we are still unable to meet in July, we will still be auctioning the dredge July 28th.

Photos and descriptions of everything that comes in the package will be available in a week or so. Instructions on bidding will be available once we know if our regular meeting is going forward. I'll act as auctioneer and we'll sell it via email and phone bids if we can't meet. We'll also have a way for anyone who can't attend a meeting to place their bid.

Don't forget, we still need assessment reports. September 1st is not all that far away. You can get them to us via our web page, by regular mail, or you just send me an email. It's imperative that we receive a report for each and every claim in order to maintain our small miner's waiver.

Please stay safe and healthy until we can all meet again!

Justin Shaw

President
