PRESIDENTS LETTER:

Greetings Members!

I hope you are all enjoying your summer, and have been taking advantage of the weather to get out of the house and out to the claims.

With **COVID-19** restrictions still in place, the Club's monthly meeting will be limited to the Board of Directors, support positions, and Claims Committee members who would like to attend. Any members who have business with the Board are also invited. As our monthly meetings are an integral part of communications between the Board and our membership, it pains me to be forced to limit attendance. Thank you all for bearing with us as our entire community waits for a resolution of the ongoing crisis.

The dredge auction was largely successful. I did receive some inquiries about the auction after it had already been completed. As long as we have adequate storage space, we are planning on waiting for the resumption of our meetings to auction the remainder of the equipment. We will keep you all posted as to how we plan on proceeding. Congratulations to auction winners Al and Arthur, the two combined to make a winning bid and split the equipment package.

Finally, I am very pleased to announce that the Club's Vice President Gary Hagstrom has filed all of the Club's annual paperwork.

At the time of this writing, all taxes have been paid, all Affidavits of Assessment have been recorded at the appropriate County Recorder's offices, and the Small Miner waivers are en-route to the Bureau of Land Management.

We are now watching LR2000 to ensure everything processes through the system as it should. As most of you know, it is imperative that these forms are filed before September 1st of each year; if it isn't done, the claims will be closed by BLM, and likely lost to the Club forever.

You can help this process along by continuing to file a Club assessment report after you visit our claims. I'd like to join the rest of the Board in thanking Gary in ensuring this was done, and done with time to spare.

I'd also like to personally Thank all of Our Licensee's for continuing our arrangement for another year.

It is only through the license agreement that the Club is able to offer such a wide selection of ground for our membership to enjoy. Your contributions are a giant part of what makes our group as strong as it is.

As always, I'd like to ask you all to stay safe and healthy, and to enjoy the remainder of the summer.
