PRESIDENTS LETTER:

Greetings Members!

The Club has recently received several batches of donations, including sluices, pans, power sluices, metal detectors and so on.

We've got too much stuff to store! We might not yet be able to resume meetings, but we are able to have a Club yard sale.

**We'll be at Grant Garrison's
house at:**

**2100 Ponderosa Drive in Sparks,
on Saturday, October 10th, from
8:00 AM to 2:00 PM. We hope
you'll be able to drop by and
check it out.**

Nominations for the Board of Directors are due by our October 27th Board Meeting. If you are interested in running for Club office, or would like to nominate someone to the Club's Board of Directors, please contact us.

We are also soliciting input on a potential Christmas party. There is some speculation that the current pandemic restrictions may be eased following Election Day.

If this comes to pass, we'd have roughly a month to throw something together. If you have thoughts on the idea, please email Wade so we can be ready to go should the opportunity present itself.

Update:
Gary Hagstrom

Just to update our claims committee members, several of us took a look at a claim North of Fallon.

There's a small shaft and the tailing have pyrite. We took samples and will process to see if there any gold in them.

More updates to follow. I added a few photos of the claim.

Two small sluices with hoses and a minelab metal detector. Nice stuff.

One of our Ex-members
Neal Niederman donated the following mining
items.
