Welcome

President's letter

June-2022

Our outing at Davis Creek was great fun! About 30 showed up for hot dogs and hamburgers. The weather was threatening but cooperated. Next time we will bring fishing poles and horseshoes. A shout out for Rachelle and family for their barbecue abilities and set up. It took us a while to figure out what the "black" bottle was for but it enhanced the barbie. Thank you, Rachelle!

Our panning demo at the Veterans car show at Rancho San Rafael Park was very popular! Wade and George were the set-up honchos, and we were in position by about 9am. The "panners" all got gold with big smiles from them and the onlookers. Our helpers besides Wade and George, were Gary, Jeff and me. We had about 60 panners and for a while it was nonstop. The highlight at our booth, of course, was George and his "rocks" and Dino artifacts! He captivated those that stopped by and most of them left with a learning experience that they took with them and appreciated. All especially enjoyed the visual artifacts that George brought, especially the "talking" dinosaur. We need to support George at all of our future panning demos as his presentation and rapport is no less than extraordinaire! Thanks again Wade, George, Gary and Jeff.

We purchased a computer dedicated to Club only activities. This will facilitate our claims tracking and keeping current with BLM and the county recorders and our

taxes. Thank you, Justin, Gary and George, for the leg work. Hopefully we will then be able to pass on claim “paperwork” on to future claim chair by just reassigning the computer to the successor. Also, we will have thumb drives assigned to the board as backup and shared info.

Hamilton has just placed a big order Club clothing. The prices have gone up a little (of course!). Not significantly. We are not in the business of making a profit on these items so basically, we are offering these items at our cost rounded up to the next dollar for ease of tracking and sales. Thanks, Hamilton, for your research and time! Some of the new items will include pink zip up hoodies!

The claims committee is getting a trickle of assessment reports. Some only show 2hrs worked. We need a minimum of 4hrs per claim. Please show the 4hrs worked. If more than one person submits a claim assessment it should reflect that in the TOTAL hours worked. So if 2 people were working the claim for 2 hours that would be a total of 4 hours! Any questions, feel free to contact Gary. Below is list of claims we need assessments:

Jack 3-4	Who-Do	Crescent1	Shiloh	Squaw1
Antelope	Crescent	KVB	Warrior2	

We will also not be renewing our lease on DJNS which will expire on Sep1.

The Pirate claims are possibly going to be available for purchase soon. There also are others of interest that we will discuss further at our June meeting. These have been good claims for our Club with good stewardship. The Pirate claim is rich in history being the town site of Nelson Point as well as good gold.

We will have more info on reclamation dredging and our relationship with PLP concerning the reclamation “permission” cards at the meeting. We are clarifying this to include our Club membership in PLP to include all of our members and print the cards.

See ya soon
Jim

The Gold Pan

Club Picnic:

Thank you to everyone who came out to the club picnic. The weather started off cooler but warmed up as the day went on.

It is always fun obtaining new friendships within the club.

Chevy Car Show

Thank you for all the volunteers that came out to help with the Chevy Car Show!
