

Comstock Gold Membership Random Selection Process

Instructions:

The Member Random Selection process is now available on line through your browser on your phone, laptop, pad, or computer. To access the process:

1. Bring up the web browser on the device of your choice: I will use my android phone FireFox browser.
2. Bring up the following URL in the browser: <https://cgpgold.org/membership/random-draw/>
3. Enter your cgpgold.org login information: I am using dptwigx (a temp member with access) and enter.
4. On the next screen, hit “start” to select a random member:
5. If the member is there, you are done – “Logout” else, “Re-Draw” to repeat #4.

At this point, you are done (given you have repeated the 4-5 loop until you have a winner or some one within 50 miles of club house.

NOTE: If you “Return”, you will go back to the Main Webpage – and on a phone, this is ugly.
