President's Letter

“Even if your sitting on a Gold Mine you still have to Dig.” -Billie Cox

I hope every is digging well and find the riches of the earth this summer! Downieville Days have just ended. Thank you for all the volunteers that came out and made it possible!

At the last board meeting; as per Gary's suggestion the board approved of having two members on the Claims Committee. One of the members of the committee will be the elected vice president. The other member will be appointed by the current president. This will require approval by the membership and a

change in the by-laws. This decision was made in order to have more than one more person involved in maintaining our claims. With that being said, elections are coming up in November! That means nominations are in October. Everyone is invited to run for office, or nominate a person you feel would be a good fit for any board position within the club.

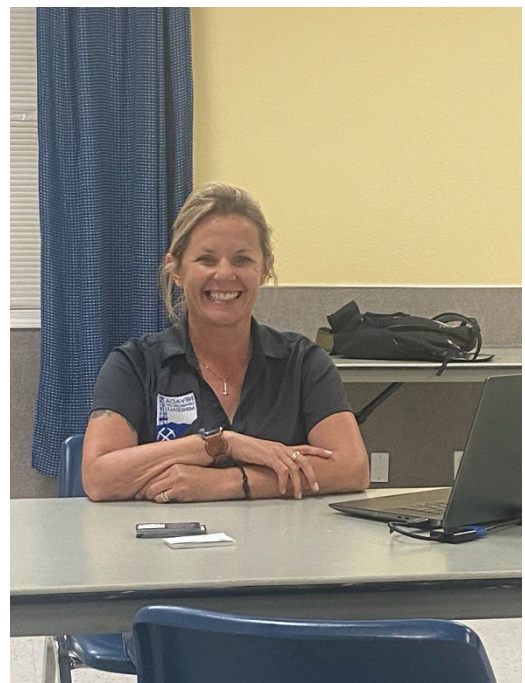

We are planning having some big changes to our board next election and we are hoping you will apart of the upcoming position to continue to make this club possible for the future generations.

As mentioned below, we extend a huge thank you to Lucia Patterson our July's guest speaker.

BEST TO ALL-

JIM
