President's Letter

“Though wisdom cannot be gotten for gold, still less can it be gotten without it.” – Samuel Butler

Dayton Valley Days is this weekend is the 21st and 22nd of Sep. This is a big deal for Dayton and we have a good time there with our panning demos.

Good exposure and “chit chat”. We need about 8-10 per day to make it work. We hope to generate interest and education those attending the event.

Next month the local Boy Scouts have invited us back for their yearly “mini” jamboree at Bartley Ranch We said we will be glad come back!

We so far have acquired 10 new members from Downieville Gold Rush Days. The turnout was not as great as last year and we will be discussing our further participation next year.

Elections for the Board are coming up...nominations are in October and elections are in November...consider running for office as we need new blood and some of us are going to "move on"....

Thanks...JIM

Thank you David Lawler for speaking our August Meeting

******Did you know a Bonanza is 200 ounces of Silver per ton? And Native Silver has no sulfur? This was just a fraction of the great information we**

learned from August's Speaker David Lawler. Thank you, David, for a great presentation. ****
