## Directions From Reno

395 North to Hallelujah Junction. Make Left on Hwy 70 and continue straight through West Quincy on one way street until it ends. Make a right (Crescent St CA 70/89). Go 5.3 miles and make a right. Not sure of the name of the road. There will be a building with a fence on the right-hand side. You can only make a right. Go approximately 2 miles (residential then forest). The dirt road forks at one point. Stay to the left (river side). You will know you are at the claim when you can't go any further and you can see the USFS rest rooms
